Special

Announcements:

1. **Birthdays thanks:** Thank all you so much for making my birthday last Friday extra special. We celebrated by having donuts brought in by the Grabowski family during recess time. The birthday sign, streamers & balloons made the outside of our classroom really fun. The big birthday card signed by each child was a big surprise!(They did this during band time . . . Very sneaky!) Last of all, the beautiful fall birthday flower arrangement from the class that was delivered to the school was very touching. I was also spoiled with cards & gifts from some of the students. I feel really loved & appreciated!
2. **THANK YOU** one and all who gave of their time & talents to make our **Country Fair** a success! Our success was due to your hard work and willingness to donate your time and talents so that we could raise money for class funds. We will use some of the money raised to purchase a pull down world map and map of the United States. I will also get some more atlas books so that we can use them for geography time.
3. Reminder: our **campus will be closed** next Thursday and Friday, October 30th and 31st, for the ACSI teacher's convention.
4. The schedule for **parent/teacher** conferences will go home in your child's red go home folder on Monday or Tuesday.
5. **American Indian** projects and reports are due on Wednesday, November 12th. Please have your child work on what ever step of the project they are on nightly. The homework load has been adjusted for the purpose of giving each child some time work their project. For your convenience, the project information is available on the VCS website.
6. Your help is still needed! To prepare for our **Grandparent's Day** celebration craft, if possible, I am asking that each child bring in a **picture** of themselves
