Dear Parents,

A note of thanks goes to those who donated money and food for our Canned Food Drive. The Vacaville Storehouse has a definite need for contributions, especially since the number of needy has increased in our area. May the Lord reward you many fold for your generosity.

Please note that next week's verse and spelling tests will be administered on Thursday due to activities on Grandparents' Day.

Have a safe and blessed Veterans' Day,  
Mrs. Brett

Mr. Chavez came as our Father of the Day in celebration of Gabriel's birthday. He is an orthopedic technician in the injury clinic at Vallejo Kaiser. He brought casts, splints, and bandages for the students to examine, and reminded us to wear protective gear in sports. Most children's injuries come from falling off monkey bars. We enjoyed the yummy cupcakes and goodie bags he shared.
