

Dear Parents,

Thank you for your prompt responses in returning your conference requests. I will do my best to honor your choices, and I look forward to meeting with each of you.

Our class has already begun learning the special sounds for phonics chart 9. You may access these charts in your Back to School packet. In science we are studying weather with next week's lesson on the water cycle. Abraham's obedience has been the focal point of our Bible lessons, applying this principle to everyday living.

Blessings,
Mrs. Brett
