

MRS. DALLENBACH'S FRIDAY FACTS

Country Fair is behind us now... Thank you for sending in supplies and helping at the booths; and a **very special thank you** to those who helped those days beforehand. I don't know if your child told you, but we had an extra bucket of ice cream left over—we had sundaes on Monday afternoon... :) I'll let you know how much money came in when I get that information back from bookkeeping

BOOK IT
Due on 11/3
Students were given a form to fill out if they are wanting to participate.

Next week is a **three day week** for our students. Please keep the teachers in your prayers as we attend the **ACSI Convention**. The seminars are always helpful, so I'm looking forward to attending.

Thank you to those who have sent in their **Parent/Teacher Conference** time requests. I have sent a note home with your time to come. For those who still need to fill out the form, I have enclosed the form with the available times left. I am looking forward to speaking with all of you at the conferences.

Enclosed in the Friday Folder is a permission form for our field trip to the **Crest Theater on November 21**. There is limited seating, so if you are able to drive, we are requesting that you send in the form as soon as possible and that you are able to carry at least 4 students in your car.

**Math & Language
Tutoring
Wednesdays
7:50-8:15**

October 24, 2008
