

The Gustafson Gazette

Dear Parents,

Country fair was awesome and we owe it all to you. Thank you so much for all your help and dedication.

I am sending home a sign-up form for Parent-teacher conferences in November. Please give me your first three choices and I will do my best to accommodate you. I know we will enjoy ourselves sharing about your little ones.

Monday, October 27 is our California Museum Field Trip. I will send you the planned drivers and riders. My goal is for many

of you to share the ride and thus share the cost of parking. I really appreciate your willingness to go with us. It is a good, fun, learning time.

We will have a Math Test on Chapter 2 on Tuesday. It will include addition, subtraction and variables. We'll also have a Language Test on writing letters and address our envelopes on Wednesday. A study guide will not come home, for the children have been practicing letter writing. They need to identify the five parts of a letter and recognize

parts of an envelope as well.

We have started Chapter 3 in History and we'll be beginning our Mission research pretty soon.

My students are doing well and I am glad to see how much they are enjoying themselves. Please keep encouraging them to stay focused and take their time to check the work.

I am very proud of them and I'm enjoying every minute. Thanks again for allowing me to be their teacher this year.
