Bible Memory Verse for the week of November 17th:

The Lord is my helper; I will not be afraid.
What can man do to me?
Hebrews 13:6

Meaning: God will help me not to be afraid.
Students must be able to quote verse, including reference and tell what it means as discussed in class.

In Bible, we will be learning about Joseph and how God helps us with our fears.

Language: We will be studying phonics charts 6-10. We will continue learning about syllables and suffixes.

Math: We will be learning about the concept of the hundreds' place, identifying before and after numbers by twos, the concept of a.m. and p.m., and the concept of one half.

Spelling words: round shout cloud south
cow now down brown clown crown town
slow snow what was

Focus is on special sounds *ow* and *ou*.

Science: We will continue learning about weather.

Social Studies: We will continue learning about the Pilgrims and Native Americans.

We will be having our Thanksgiving party on Friday, November 21st at 10:45am. If you have signed up to send in an item, please look for a confirmation letter so you know what you are bringing.

Our dress code requires that shirts are tucked in. I would appreciate your help in reminding your children to tuck their shirts in before they come to school. It helps them to understand the expectation. Thanks for your help in this area.
