By signing this contract, I understand that the following conditions and requirements apply.

- I have met the prerequisite course requirement(s).
- By registering for an AP course, I am making a commitment for the entire year. Once enrolled in the class, I may not withdraw unless approved by administration.
- I thoroughly understand the course description and expectations of a college-level course and understand this class will have more outside of class time, work, than a normal HS class.
- I will complete all summer assignments prior to the first day of classes. If I do not do so, I understand that I may be withdrawn from the class and my schedule changed as necessary.
- Unsatisfactory progress or behavior (poor grades, attitude, or lack of effort) may result in dismissal from this class and my schedule adjusted.
- It is recommended that I take the AP exam and I understand that means I will be billed for and agree to pay the required fee, (Approximately \$89.00 / AP Class, as set by the CollegeBoard), unless I were to “Opt out” of the AP Test NLT March 10, 2015, in writing, and submit it to the HS office.
- I will make every effort to be in class on time every day, except in an emergency or severe illness.
- I will put forth maximum effort throughout the entire year & commit to having excellent classroom participation.
- If I am absent, I understand it is my responsibility to make arrangements with my AP Instructor to come in during their tutoring time and get caught up as soon as I am back to school. This is important in a college-level class.
