

## Vacaville Christian Schools Dual – Sport Contract

I, \_\_\_\_\_, as a dual sport athlete, understand that I am signing up for more than one sport in the same season, and the following stipulations need to be met in order for me to participate in both sports concurrently.

1. I must declare a “No. 1 Sport” and a “No. 2 Sport”.
2. I must meet the 3.5 minimum GPA, both during the semester before practices/the season begins AND during the semester I actually compete. I will carry a 3.5 minimum GPA throughout the entirety of the season of competition. If I should fall below the 3.5 minimum GPA, I will not continue with my second sport.
3. If there is a scheduled conflict during the regular season and/or the playoffs, my No. 1 Sport takes priority.
4. I will personally notify both coaches when I will not be at any scheduled practice.
5. If I have not attended the weeks’ worth of practices (5 consecutive) previous to the No. 2 Sport’s game, I will not start in that game.
6. I understand that I will be billed the athletic fee that each sport is charged to participate.
