EL-4 News

Dear Parents,

This week we will have our annual **Food Drive for the Vacaville Store House**. Please, make sure to check your information sheet, so you will know what will be collected each day.

This is a wonderful opportunity for your child to discover the joy of giving to others.

I am so proud of my wonderful second graders! They have been working so hard in math and understand higher-level addition and subtraction operations in such an amazing way. **Please keep on practicing addition and subtraction facts with flash cards at home every night** so your child has the foundation to operate successfully in solving story problems. **This week we will introduce the concept of multiplication.** So get the flashcards and on line games ready to study multiplication families 1-5 and 10.

Since the **weather** is much cooler now, make sure your child has a VCS sweatshirt or jacket that he/she is allowed to wear in the classroom. (Please, check your handbook on line about our dress code.)
