OUR MISSION

Vacaville Christian Schools exist to provide, in partnership with home and church, a distinctive, Christ-centered education in a nurturing environment that equips young people to excel in life and in service to Jesus Christ.

ACCREDITATION / LICENSING

VCS Early Education Department maintains accreditation from the Association of Christian Schools International, and the State of California Community Care Licensing Division licenses all of our facilities, from infants to kindergarten readiness.

OUR CAMPUS

We enjoy a beautiful, 26-acre campus in Vacaville, CA. Our Early Education Department is comprised of four age levels: Infants, Toddlers, Preschool, and Kindergarten Readiness, and our playgrounds are age appropriate, offering a variety of play structures to promote strong physical development and exploration of God's creation, including a wide range of plant life.

OUR FACULTY

Our faculty is comprised of highly qualified and dedicated Christian educators who are committed to VCS's written philosophy, mission, vision, and core values. They engage in ongoing professional development that promotes sustained growth for themselves, their students, and for VCS's academic programs as a whole.

SPIRITUAL EMPHASIS

We believe that children are a gift, designed by God to be internally motivated to learn, from infancy on. With that perspective, we honor the individual differences of each child, allowing each the opportunity to learn and develop needed skills for life at his or her own pace. Daily, our students are taught a Biblical worldview with the Bible being the authority on morality. We nurture this learning with daily Bible stories and have chapel every Friday.

PROGRAMS

Our classroom ratios meet state regulations in each program, and in our Infant, Toddler, and Preschool Programs, we strive to create an environment where children feel valued and secure. We also emphasize quality communication between teachers and parents in planning appropriately for the needs of each child. When children feel safe and are given the opportunity to explore their world through thoughtfully planned activities based on their individual development, their learning is enhanced.

In our Kindergarten Readiness Program, teachers partner with parents and are committed to helping our children reach their full potential spiritually, academically, emotionally, physically, and socially, positioning them to excel in elementary school and beyond.

ASSESSMENTS

The role of assessments is to guide our curriculum planning and to enable us to meet the individual needs of every child in our program.

VCEE SCHOOL / COMMUNITY EVENTS

- Grandparents Day
- Field Trips
- Department Performances
- Pastor Appreciation Day
- International Day
- Friday Spirit Day Rallies
- HS Homecoming Parade
- Mission Solano "Toys for Tots" and canned food drives
