# Come visit Vacaville Christian Middle and High School!

Vacaville Christian Schools offers a comprehensive English language and American culture institute for students intending to enroll at VCS for the fall semester. This program is also open to students who are looking to expand their knowledge and skills for future enrollment in an American high school or middle school.

The Summer Immersion Institute is designed to improve students written and spoken English, while increasing their TOEFL Junior score. Language development will occur through use of carefully selected reading material, vocabulary expansion exercises, computer and tablet based learning, writing projects, listening skill development, and practicing language usage in and out of the classroom.

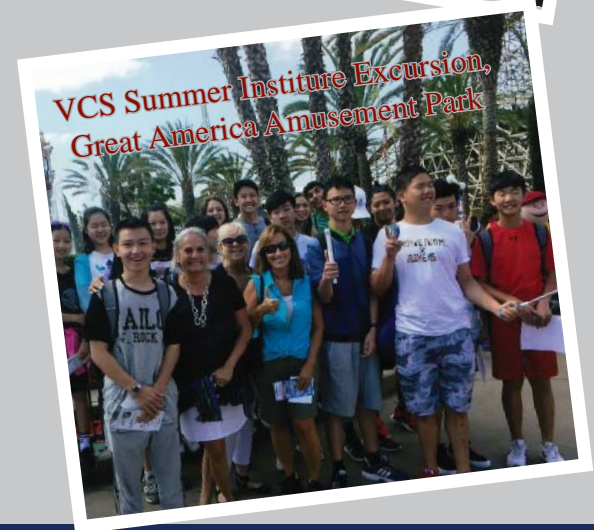

More importantly, students will be exposed to American classroom style, assignments and provided with a practical introduction to the Bible.

## Goals of the Summer Immersion Institute

### Five Goals of Success

- **ESL** - Instruction provided by a highly experienced English teacher with a Doctorate of Education, in Acculturation of International Students.

- **College Campus Visit and College Counseling** - Students will visit colleges like Stanford, UC Berkeley, UC Davis, UC San Francisco and University of San Francisco.
- **High School Orientation** - Students will select classes for the fall, meet the college counselor, teachers and tour the VCS campus.
- **Cultural Excursions** - Students will visit local Northern California sites such as Silicon Valley, Sacramento, Six Flags, and Great America.
