

Session One

September 16- October 25, 2019

Six Week Session

# Beginning Coding Class

Grade	Day	Time	Location	Min./Max Students	Cost
4th- 8th	Tues.	2:45- 4:15	EL14	4- 15	\$225.00
	Thurs.	3:30- 5:00			

### WANTED! Developers for a New Software Startup\*!

Seeking enterprising new programmers looking to be a part of an exciting opportunity! No Experience Necessary! We will provide training for new developers in the basic concepts of software development teaching one of the most popular programming languages: Python. We will introduce new recruits not just to programming but also help develop essential skills of Learning how to learn, having a growth Mindset and working and collaborating as a team. Recruits will use the MIT developed Scratch visual programming environment to learn basic concepts and Python as the main programming language. All developers will learn major programming concepts such as Data Types, Operators, Loops, Lists and Functions and will complete a final project that will surely be the Next Big Thing! No experience necessary; however, a willingness to learn and be challenged is required! Slots are limited so please apply early!

\*This course is provided by the team from Africa Code Academy who are working toward bringing the vision to bring technical learning to create a lasting positive change across Africa for the underprivileged.

Teacher- Mr. Joon Lee

# Karate Class

Grade	Day	Time	Location	Min./Max Students	Cost
K- 8th	Monday	3:45- 4:45	EL5	5- 25	\$175.00

Karate- The first step to Black Belt begins here.

Karate is a sport built out of respect, self confidence, discipline and of course, FUN! While in this class you will learn self defense, Olympic Sport Karate, and traditional Shorin Ryu Karate.

Shorin Ryu is based out of Okinawa, Japan, a place our head instructors visit every year to add to our curriculum. Karate benefits students by allowing them to set goals, work for them and achieve them. It also changes students mindset outside of their Karate class. In their classroom, we see big changes in their attentiveness. Karate benefits students well by giving them skills to have better focus, respect for peers and staff, and better self confidence. The students get the opportunity to learn self defense moves that are applicable and safe any and everywhere they go. Students should wear comfortable and loose clothing, all equipment needed for this enrichment class will be provided by your instructor. If you're looking for class where your student will be able to work out, smile, and learn new skills, then this is a place for you! With Karate in the Olympics, there is no telling how far these students might go!

Teacher- Ms. Keira MacKenzie, VCS Alumni

# Culinary Class Chefs in Action!

Grade	Day	Time	Location	Min./Max Students	Cost
K- 8th	Wednesday	3:45- 5:15	Gym Kitchen	10- 20	\$225.00

This fun and exciting culinary experience begins with preparing some deliciously healthy appetizers to enjoy in our class every week! In each weekly class, the menu changes so the fun never ends! A few of the food items the students will be making during the course of the program are as follows: pesto cheese bread bites, stuffed mushrooms, mini empanadas, stuffed bell peppers and much more. They'll be chopping, measuring, and exploring new ways to not only prepare different foods, but how to display different dishes. Students won't even realize they are learning basic cooking skills! All supplies needed are included in the total cost of this class.

Teacher/ Chef- Mrs. Joanne Pedrozo

# Bisque Pottery! Become a Potter!

Grade	Day	Time	Location	Min./Max Students	Cost
K- 8th	Wednesday	3:45- 5:15	EL7	6- 16	\$180.00

And the Potter said unto the clay, "Be Ware and it was!" Do you have a creative side to you that has not been exposed yet? This is a new Bisque Pottery class that is being offered. Unlike our other pottery classes that we have in the past, this one is different. The pottery is already formed and molded. In this class you will learn about mixing colors, shading, and three dimensional art forms. Being creative is not a hobby, it is a way of life! All supplies needed are included in the total cost of this class.

Teacher- Mrs. Shanna Saribalis

# Beginning Spanish

Grade	Day	Time	Location	Min./Max Students	Cost
K- 5th	Wednesday	3:45- 4:45	EL- 3	2- 20	\$180.00

Students will have fun learning "Basic Spanish" as we explore the alphabet sounds, vowels, and verbs! These important essentials will help them start putting words together, creating sentences, and eventually how to converse in Spanish. We will also learn number words, color words, names of family members, and days of the week. Bible stories and worship songs will be used as a vehicle to use their newly gained language skills! Don't miss out on this great opportunity to have your student learn the importance of learning Spanish as a second language! All supplies needed are included in the total cost of this class.

Teacher- Mrs. Karla Castillo

# Art Lab- Carousel of Creativity!

Grade	Day	Time	Location	Min./Max Students	Cost
K- 5th	Friday	3:45- 5:15	EL- 7	2- 20	\$185.00

Come join us as we explore different styles and techniques through creative hands- on projects. We will learn about different artists, styles and techniques while also learning about the Elements and Principles of art. The students will have the opportunity to incorporate what they learn into their own artwork. We will use different mediums such as acrylic, oil pastels, watercolor and more! Guided projects will lead students to create their own work and inspire them to create at home. Messy hands and cheerful smiles make fun creative colorful masterpieces! All supplies needed are included in the total cost of this class.

Teacher- Mrs. Cristie Baron

# Landscapes of Color Painting and Sketching

Grade	Day	Time	Location	Min./Max Students	Cost
K- 8th	Thursday	3:45- 5:15	EL7	4- 15	\$185.00

In this six week program, professional artist and art teacher, John McFadden, will guide students through the process of completing a series of acrylic paintings. The young artists will learn how to sketch a subject on canvas and develop it into a finished work of art! Students will learn about color- mixing, paint application, care of tools, and even how to transform mistakes or “happy accidents” into something wonderful! All tools and materials needed are included in the total cost of the class.

Teacher: Mr. McFadden

# Taekwondo -The Martial Arts for Every Body

Grade	Day	Time	Location	Min./Max Students	Cost
K- 8th	Friday	3:45- 4:30	EL- 25	6- 20	\$175.00

Taekwondo -The Martial Arts are for Every Body... Come learn self-defense, physical fitness, and build strong character while learning important social skills. You will gain confidence and develop perseverance and discipline. Taekwondo can be especially beneficial in helping children develop coordination, attention span, and patience. Taekwondo helps with the development of the “I can” and “I will” attitude by providing an environment where students are to act with strong, confident mannerisms. With regular and prolonged practice, students build habits that reinforce their physical actions with a strong mental attitude! In this class, students will become more humble and gain physical grace! Students will need to bring comfortable, loose clothing to change into for this class. All supplies needed are included in the total cost of the class. This class meets one day a week.

Teacher- Mr. Lara Penny

# Sewing... Be Inspired

Grade	Day	Time	Location	Min./Max Students	Cost
4th- 8th	Wednesday	3:45- 5:15	EL25	2- 4	\$200.00

In this class, students will learn the basics of using a sewing machine and hand stitching. At the end of this session, students should be able to sew on a button, as well as complete small sewing projects. This class will open a whole new and exciting world for those who would like to become future designers or who just want to sew for themselves! A list of needed materials will be provided by the sewing teacher.

Teacher- Mrs. Deborah Salmon

# Chess Class

Grade	Day	Time	Location	Min./Max Students	Cost
1st- 3rd	Wednesday	3:45- 4:45	EL5	6- 16	\$180.00
4th- 8th	Friday	3:45- 4:45	EL5	6-16	\$ 180.00

The students in this class will learn chess basics, including identifying pieces and piece movement as well as progression toward advanced chess strategy and gameplay. It’s not just a chess class, it is a comprehensive chess program and curriculum, we impart education, including end games, middle game tactics and popular chess openings. We teach situational awareness and logic and have take home exercises and puzzles for the students.

Teacher- Mr. Jacob Helmueller

*All Extended Care students registered for an Enrichment class will be picked up from and returned to Extended Care. While in an enrichment class, drop-in extended care students will not be billed for daycare; however, students who have enrolled in the Full Time program will remain signed in. Only drop-in students will be clocked out of extended care during this time.*

*Students need to bring a snack with them, as they will not be going to snack bar on any days they are signed up for enrichment classes.*

*Students not picked up when class is over will be taken to Extended Care and will be billed accordingly.*

*I understand that by checking the boxes above, I will be billed through Smart Tuition. Students not picked up when class is over will be taken to Extended Care and will be billed accordingly. If you have any questions, please contact Mrs. Hill.*
