

Payment Information

Payments: Monthly tuition payments must be set up with Blackbaud Tuition Management, an outside billing service allowing parents flexibility in making payments.

There are three payment options available:

- Electronic Funds Transfer from your bank account
- Credit Card (Master Card, American Express, Discover or Visa)
- Payment by check

Missed Payments: A \$40 follow-up fee will be assessed by Blackbaud Tuition Management for each missed payment. A late fee of \$35 will be charged by VCS for any late payment. Accounts remaining past due are reported to a credit reporting agency. Students may be subject to immediate dismissal from Vacaville Christian Schools if their tuition account becomes 30 days past due.

Withdrawal Policy:

Your contract is for the entire school year, August to May. To withdraw a child from VCS Early Education Department, thirty-day (30) written notice is required and a withdrawal form must be completed by the parent and submitted to the Business Office. This applies to the thirty (30) days prior to the first day of school or attendance. The August 1st payment is due unless notice is received before July 1st. You are responsible for tuition payments for the thirty (30) days following notification of withdrawal, even if your child does not attend school.

Tuition Assistance

Older Preschool (3 years old) & Kindergarten Readiness
Full Time Programs Only (5A)

VCS uses Blackbaud Financial Aid Management to process applications for financial scholarships. Completed and verified applications for the academic year are due to Blackbaud annually. Blackbaud will not release any information to parents regarding financial decisions. VCS will contact families with an enrollment application on file within 2-3 weeks after completed financial aid application is submitted.

*Annual Family Fee is not included in tuition rates.

VCS calculates tuition as an annual rate, payable in 10 equal installments from August 1st to May 1st. The tuition of students starting after the first day of school will be prorated. Prorated tuition is calculated based on the exact number of days remaining in the school year, from the student's first day of enrollment. Prorated tuition and annual fees will be divided into equal installments for the remainder of the school year.
