OUR MISSION

Vacaville Christian Schools exists to provide, in partnership with home and church, a distinctive, Christ-centered education in a nurturing environment that equips young people to excel in life and in service to Jesus Christ.

OUR CAMPUS

We enjoy a lovely, 26-acre campus in Vacaville, CA. Our middle school facilities include 11 beautiful classrooms equipped with SMART Boards, two well-equipped science labs, a 28-unit computer lab, media technology center, radio/TV station, multi-purpose facility, a band rehearsal room, Mission's garden, and a fully staffed kitchen with a hot lunch program. Our athletic facilities include football and soccer fields, baseball and softball fields, a full-court basketball gymnasium, a second full-size basketball court, a weight room, and spacious locker rooms.

OUR FACULTY

Our faculty is comprised of highly qualified and dedicated Christian educators, 50% holding advanced degrees, who are committed to VCS's written philosophy, mission, vision, and core values. They engage in ongoing professional development that promotes sustained growth for themselves, their students, and for VCS's academic programs as a whole.

SPIRITUAL EMPHASIS

We integrate biblical truths into every subject area. Daily, our students are taught a Biblical world view with the Bible being the authority on morality. All students have daily Bible classes and weekly chapels. Our Chapel Leadership band leads worship during chapels, and local pastors and staff share the speaking schedule. Annually, we have a fun-filled, themed, Spiritual Retreat held at Koinonia Conference Grounds. This event provides a strong spiritual and relational impact and is the highlight of the year for many students.

ACCREDITATION

Dual Accreditation through Association of Christian Schools International & Western Association of Schools and Colleges. VCMS also holds an active charter in the National Junior Honor Society.

ACADEMIC EXCELLENCE

VCMS offers an extremely well-rounded academic program designed to prepare students to excel in high school and beyond. Advanced courses are offered in Math and English, and an before and after-school tutoring program is available, at no charge, to all middle school students. We offer numerous electives. We use PowerSchool, a web-based program that enables parents and students to check assignments, grades, and attendance online. Students are evaluated annually with national standardized tests and regularly perform well above national norms.

HONOR SOCIETY AND LEADERSHIP
