## OUR MISSION

Vacaville Christian Schools exists to provide, in partnership with home and church, a distinctive, Christ-centered education in a nurturing environment that equips young people to excel in life and in service to Jesus Christ.

## OUR CAMPUS

Our beautiful 26-acre campus in Vacaville, CA, offers exceptional facilities for middle school students. The academic spaces include 12 classrooms equipped with SMART Boards, two fully outfitted science labs, and a cutting-edge computer lab featuring 28 computers with industry-leading photography and video editing software, as well as high-capacity 3D printers. Students also enjoy access to a radio station, a multi-purpose facility, and a dedicated band rehearsal room.

Our athletic facilities include football and soccer fields, baseball and softball diamonds, a full-court basketball gymnasium, an additional full-size outdoor basketball court, a weight room, and spacious locker rooms.

## OUR FACULTY

Our faculty consists of highly qualified, dedicated Christian educators who exemplify a commitment to excellence and faith-based education. With 50% holding advanced degrees, our teachers uphold VCS's philosophy, mission, vision, and core values in all aspects of their work. They engage in ongoing professional development, fostering growth for themselves, their students, and the strength of VCS's academic programs.

## SPIRITUAL EMPHASIS

We integrate biblical truths into every subject, teaching students a biblical worldview with the Bible as the ultimate authority on morality. Students participate in daily Bible classes and weekly chapel services, where our Chapel Leadership band leads worship, and local pastors and staff deliver impactful messages. Each year, we host a themed Spiritual Retreat, a much-anticipated event that fosters deep spiritual growth and meaningful connections, often becoming a highlight of the year for many students.

## ACCREDITATION

Dual Accreditation through Association of Christian Schools International & Western Association of Schools and Colleges. VCMS also holds an active charter in the National Junior Honor Society.

## ACADEMIC EXCELLENCE

VCMS provides a well-rounded academic program that both prepares and equips students to excel in high school and beyond. We provide advanced Math and English courses, with free tutoring available before and after school for all middle school students. A diverse range of electives is also available. Through PowerSchool, a web-based platform, parents and students can easily track assignments, grades, and attendance. Annual standardized testing consistently demonstrates that our students perform well above national norms.

## HONOR SOCIETY AND LEADERSHIP

Leadership opportunities extend beyond the classroom through programs such as Student Council, National Junior Honor Society, and Chapel Leadership, empowering students to develop and apply their skills in meaningful ways.

## ATHLETICS

Our athletic programs offer both developmental and competitive team play. The developmental programs introduce athletes to competitive sports, while the advanced program focuses on skill refinement and preparation for higher levels of competition in high school.

## CLUBS

Our clubs vary each year to reflect student interests, providing fresh opportunities for engagement. Current offerings include the Hamilton Club, Chess Club, Debate Club, Running Club, Rubik's Cube Club, Cooking Club, and Shakespeare Club.
